### 4) Walk of Faith

A view of faith as we study the Book of Genesis. God is the subject of life. God is foundational for living. If we don't have a sense of the primacy of God, we will never get it right, get life right, get our lives right. Not God at the margins; not God as an option; not God on weekends. God at center and circumference; God first and last. No matter what we do, whether good or bad, we continue to be part of everything that God is doing. Faith is required to walk with God.
